Just to put you at ease, the ONLY reason is we have been up to our eyeballs with the friggin restatement of our financials statement.

I also didn't know you "needed" the agreement with the same urgency as we needed those waivers.

That being said, you gotta believe that we will honor the commitment. I'm not that bad!!!! Please relax.

Rob

I am waiting for the signature on the consultant agreement per the 50,000 shares

Is there reason why you have not sent it

When you needed the sign offs multiple times I got them

When you needed Yoav to work with you I got it

When you needs \$5m 6 months ago I got it

When you needed the warrants exercised I got it

When you wanted the share exchange done I got it

I saved your ass from being on pink sheets

your stock trades good now

not like before when you had yoav and rich as investors

I got the prag agreement cancelled

you never paid me a banker fee.. i raised all the money not chardan

I never asked for a warrant solicitation fee

Dont be a scumbag and honor your verbal agreement you made me on the phone

I never asked you for anything, you offered the consultant agreement, have some integrity and give me what we agreed to

Please send back signature and get the certificate issued
